Article 1 : Before flight:

- Please reconfirm your flight through your Travel Agency one day in advance and check if there is any change on your flight details.
- Please be at the check-in desk two hours before departure time. Please check if your baggage is correctly tagged for your intended destination.
- Check-in desks are closed 45 minutes before the scheduled departure of the flight. Passengers who present themselves after check-in has closed will not be allowed to board the flight and will forfeit their seat - no refund will be given.
- We require all passengers to provide a valid form of photographic ID at check-in on all flights (children and babies as well). For visa requirements you should contact your travel agent or your national embassy or consulate. Passengers are responsible for obtaining all required travel documents and for complying with all laws, regulations, orders, demands and travel requirements of countries to be flown from, into or through which he transits. Corendon Airlines is not responsible if passenger is not accepted to the flight because of ID/Passport, visa or ticket problems.
- Please note that Corendon Airlines is authorized to take the digital or hard copies of passports, visas or other personal documents.
- When you check in, you will be issued with a boarding pass, which indicates the boarding gate, boarding time and your seat number. Passengers without boarding pass will not be accepted to board the aircraft.

- Corendon Airlines may charge a fuel surcharge from you in addition to your flight ticket price to compensate fuel price changes in the global market.
- Please note that even if you have bought a ticket for a Corendon Airlines flight, Corendon Airlines is entitled to realize that flight through another air carrier.
- All Corendon Airlines flight aircraft are non-smoking flights.
- Our passengers may reserve more leg space seats on the 1st rows or exit rows against a payment of 15€ on flights departing from West European countries (Netherlands, Belgium, Denmark, France, Germany, Italy, Poland, Estonia, Norway, Sweden, Finland) and from East European & Middle East countries (Iran, Israel, Kosovo, Romania) including one soft drink.

Article 2: Security measures:

General:

- We recommend you to limit quantities to what you may need in the cabin for the duration of the flight.
- When possible, put liquids in hold baggage.
- Prepare the re-sealable bag of liquids before arriving at the airport.
- Check any queries you have with your airport or airline before traveling to the airport at the security point.
- Be ready to hand over your re-sealable bag of liquids for screening as you approach the security check point. It will be screened at the same time as your cabin luggage.
- All coats and jackets will have to be removed ready to be screened and metal items including wallets will be placed in plastic trays and scanned separately.
- If you are carrying a Laptop or any other large electrical item within your cabin luggage then please have it ready for separate screening as you approach the security check.
- Duty free / departure lounge purchases: you may take on board liquid items of any size that are purchased after the security check in the departure lounge
- Most duty free or similar purchases will be given to you in a special sealed bag. Do not open this bag until you have reached your final destination. You should also retain your proof of purchase throughout your journey. You will be required to show it at all transfer points.
- If you are departing from a non-EU airport and transferring through an EU airport, any duty-free item purchased from non-EU airport will not be accepted on your transfer flight.

Liquids:

Passengers may carry small quantities of liquids, but only within separate containers each of which with a capacity not greater than 100 ml.

These containers must be brought to the airport contained in a single, transparent, re-sealable plastic bag, which itself must not exceed 1 liter in capacity (approximately 20 cms x 20 cms). The contents of the plastic bag must fit comfortably and the bag sealed. Each passenger may carry only one such bag of liquids.

The bag must be presented for examination at the airport security point.

Liquids that can not be placed inside the re-sealable bag must be packed into the hold luggage and checked in. Liquids of any amount can still be carried in luggage checked into the aircraft hold.

Remember that 'Liquids' includes:

- All drinks, including water, soup, syrups
- Creams, lotions, oils, perfumes, mascara etc
- Sprays and pressurized containers- including shaving foam and spray deodorants
- Pastes, including toothpastes-
- Gels, including hair and shower gel-
- Any other solutions and items of- similar consistency

Medicines:

Essential medicines and baby food may be permitted in larger quantities above the 100 ml limit, but will be subject to the authentication that is already currently required.

Each passenger is restricted to carrying only one item (in addition to the re-sealable liquids bag) through the airport search point.

Pushchairs, walking aids and wheelchairs are permitted.

Laptops / electrical items:

Laptops and other large electrical items (e.g. a large hairdryer) will still have to be removed from cabin baggage and screened separately. A laptop bag will be regarded as your one item that is allowed in the cabin.

Oversize items:

All items of luggage which do not fit in the permitted cabin baggage size must be checked in to be placed in the aircraft hold. Musical instruments will, as an exception, be allowed as a second item of cabin baggage, but will need to be screened and passengers should check with their airlines if special arrangements (e.g. purchasing an extra seat) for these large instruments will be required.

Article 3: Baggages

i. General:

- a. Free baggage allowance per passenger, excluding cabin baggage is 20 kg for all Corendon Airlines flights. Infants under 2 years are not entitled to a free baggage allowance.
- b. Articles such as umbrellas, walking sticks, parcels, etc may not be attached to checked baggage because they may cause damage.

Article 4: Baggage Irregularities

a. General:

- First of all we would like to apologize on behalf of the ground handling agency for any baggage irregularity like damage, delay or loss during any Corendon flight. In this case please contact immediately to the Lost & Found Office at the airport and fill out a Property Irregularity Report (PIR). Claims without P.I.R. report will not be accepted.
- Notifications of damage to or loss of baggage must be carried out immediately upon arrival at the airport of destination. Claims presented later should be in writing within seven (7) days from the date of receipt of baggage (in the case of damage) and in case of delayed delivery the complaint must be made at latest within twenty-one (21) days from the date the baggage was delivered.
- If the baggage is received without complaint, this is evidence that same has been delivered in good conditions.
- Since in the majority of cases settlements by private insurance companies are more advantageous to passengers please contact them in the first instance, as they are based on value, whilst a great deal of the indemnifications by Corendon Airlines is based on weight and limited at most on one way flight ticket price.
- To help us process your claim quickly, please enclose a copy of the Property Irregularity Report provided to you at the airport when you made your report for delay or damage, along with your baggage ID tag, boarding card and copies of any relevant receipts. We strongly recommend that passengers retain all original receipts applicable to their baggage claim. All of the requested documents and statements have to be presented in English or Turkish.
- All claims must be supported by documented evidence of purchases or repairs made (e.g. receipts, invoices), a copy of your flight ticket or reservation, boarding card and baggage sticker.
- Passengers are advised to take out their own insurance to cover the value of their baggage and its contents, particularly if they are carrying important, fragile or valuable items.

- Corendon Airlines is not responsible for fragile or perishable items, items having a special value such as jewellery / money, precious metals, computers, personal electronic devices, negotiable papers, securities, other valuables, business documents, medical documents, passports, samples, other identification documents and items which are not permitted to be carried or if any item/baggage is delayed or damaged because of security check.
- Also Corendon Airlines will not accept responsibility for the damage or loss of protruding parts such as wheels, feet, locks, straps, pull handles, or other items that are attached to baggage, or items lost as a result of badly packed or over-packed baggage as well as cuts, scratches, scuffs, dents and marks.
- Corendon Airlines do not accept any responsibility for personal belongings misplaced or lost on board the aircraft or in the airport terminal. Any items located on board are forwarded directly to the lost property offices at the airport of destination.
- Corendon Airlines is not liable for incidences within the cabin which happen to passengers' belongings during the flight, until it is due to gross negligence of Corendon Airlines..

Please also note that complaints/claims will only be accepted in the English or Turkish language.

Corendon Airlines is not liable for;

- i. Loss of baggage checked in pool (except for families /couples traveling together),
- ii. Damage to or loss of unchecked baggage or other effects carried under passenger's custody, unless such damage or loss is clearly due to negligence on the part of Corendon Airlines,
- iii. Forwarding expenses of the found baggage to the passenger or transfer expenses of the passenger in order to pick up the baggage, as Corendon Airlines is just obliged to manage that the missing baggage is sent to the airport which is indicated on the baggage identification tag and the passenger has to pick up his baggage himself at this airport. If the passenger does not want to pick up the baggage himself and ask the baggage to be sent to his address or hotel, Corendon Airlines does not accept any responsibility in case of damage, loss or wasted time during forwarding of the baggage,
- iv. Lawyer fees,
- v. Bank remittance fees while transferring the refund or deductions due to incorrect bank account details.

b. Lost Baggage:

In case no positive outcomes reached during the search of your baggage, apply to the Corendon Airlines Customer Care Department with the copies of documents given below;

- Lost Baggage Report (P.I.R),
- Flight ticket,
- Boarding card;
- Baggage tags evidencing baggage weight,
- Receipt of extra baggage fee,
- List of specific ingredients within your baggage in English or Turkish (especially with brand names like perfume brand name, shoe number, clothing with brand mark, book name, etc. if existent) in case your baggage label is detached.

Corendon Airlines does not take any responsibility for baggage without tags which is not checked in the name of ticket or boarding card holder.

c. Damaged Baggage:

Please apply Corendon Airlines Customer Care Department with the copies of documents given below;

- Damaged Baggage Report (PIR Report),
- Flight ticket and boarding card,
- Baggage tag of the damaged baggage,
- If your baggage can be repaired a repair invoice in English or Turkish from repair shop,
- If your baggage is irreparable; a statement in English or Turkish from an authorized repair shop that the original luggage is irreparable and unusable as well as the estimated worth and age of the original luggage,
- Purchasing invoice of your baggage (if purchasing invoice cannot be presented by the passenger he/she will be refunded at maximum with half of the baggage price).

Article 5: Indemnifications

a. Damaged baggage:

The approved refund of a checked damaged baggage can not be more than one-way ticket price and is calculated according to following formula:

Price - 10% for each year of age. (The age of the baggage will be rolled up to the next full year while calculating)

Corendon Airlines is not liable for missing, soiled or damaged items within the damaged baggage.

Refund for damaged items within the damaged baggage will just be made for items permitted to be carried and which are supported by documented evidence of purchases or repairs made (e.g. receipts, invoices).

If the ticket price cannot be documented by the passenger, one way ticket will be considered at the discretion of the airline company or as maximum € 100. Probable expenses of the required documents are not covered by Corendon Airlines.

If the damaged baggage is repaired without any fees, Corendon Airlines will not make any refund to the passenger.

Corendon Airlines is entitled to ask the passenger to forward at the passenger's expenses the as irreparable and unusable documented baggage to the Ground Handling Agency.

b. Delayed delivery:

In case of delayed delivery of checked baggage, passenger will be indemnified for obvious indispensable expenses as below:

If the missing baggage is not recovered after 72 hours from the claim, the total advance payment effected by or on behalf of Corendon Airlines will not be more than equivalent of € 50,00 if the delay is not due to a force majeure.

Any payment effected in advance will be deducted from the final indemnification payable in case the baggage is definitely lost.

c. Lost baggage:

In case of loss of checked baggage, the passenger will be refunded the actual value of the missing baggage, provided that same does not exceed € 10,00 per kg on international flights and € 5,00 per kg on domestic ones. The baggage free allowance on all flights is 20 kgs. Indemnification can not exceed one way ticket price. If the ticket price cannot be documented by the passenger, one way ticket will be considered as maximum € 100. If the baggage weight cannot be documented by the passenger, the missing baggage will be considered as maximum 10 kgs. Baby strollers, wheelchairs and similar items are subject to the same conditions defined herein as checked baggage.

d. Non-responsibility:

Corendon Airlines is not responsible for fragile or perishable items, sports equipment, instruments, items having a special value such as jewellery / money, precious metals, silverware, antiques, heirlooms, computers, personal electronic devices, negotiable papers, medicines, medical items, securities or other valuables, business documents, passports, samples, baggages accepted under the condition of the "Limited Release" Tag (LRT), other identification documents and items which are not permitted to be carried. We strongly recommend all passengers obtain adequate travel insurance cover prior to their journey.

Corendon Airlines does not accept any responsibility for personal belongings misplaced or lost on board the aircraft or in the airport terminal. Any items located on board are forwarded directly to the lost property offices at the airport of destination.

Corendon Airlines does not take any responsibility for baggage without tags which is not checked in the name of ticket or boarding card holder.

If the PIR Report is issued on the name of more than 1 passenger, all of them have to sign the Refund Slip.

- (2) cause discomfort or make himself objectionable to other passengers; or
- (3) possibly involve any hazard or risk to himself or to other persons or to property;

(b) because the passenger has failed to observe any reasonable instructions of Corendon Airlines, given in order to ensure safe, efficient and comfortable carriage for all passengers or to enable Corendon Airlines otherwise to comply with its obligations towards any other passengers;

(c) because the passenger has expressed himself in such a way or displayed such behavior that doubt exists with respect to the safety to carry such person. Such expression or behavior includes the use of threatening, abusive or insulting language towards ground staff or crew;

(d) because the passenger has refused to submit either himself or his baggage to a security check by Corendon Airlines or by any airport or government official;

(e) because the applicable fare or any charges or taxes payable have not been paid, or credit arrangements agreed between Corendon Airlines and the passenger have not been complied with;

(f) because Customs and/or Immigration Authorities or any other Government Authority has informed Corendon Airlines orally or in writing that the passenger is not allowed to travel. This includes the case that the passenger has received a negative travel advice from Customs and/or Immigration Authorities or any other Government Authority;

(g) because the passenger does not appear to be properly or validly documented;

(h) because the passenger may seek to enter a country through which he may be in transit, or for which he does not have a valid entry document;

(i) because the passenger destroys his documentation during the flight;

(j) because the ticket presented by the passenger:

- (1) appears to be invalid;
- (2) has been reported lost, stolen, fraudulent or otherwise suspicious;
- (3) appears to be a counterfeit ticket;
- (4) contains any flight coupon which appears to have been altered by anyone other than the authorized agent, or has been mutilated, or
- (5) the person presenting the ticket cannot prove that he is the person named in the "NAME OF PASSENGER" box, in which cases Corendon Airlines reserves the right to retain such ticket;

(k) because the passenger has previously committed one of the acts or omissions referred to above, and Corendon Airlines has reason to believe that such conduct may be repeated;

2. The passenger refused carriage or removed en route for any reasons specified in paragraph 1 of this article, is not entitled to refund.

Article 11: Delays, cancellations, Stop-Over / Non-Stop flights

Corendon Airlines is a charter airline company based in Turkey. Our aircraft are chartered by tour operators, who sell their chartered seats by way of internet, travel agencies, etc. The aircraft are operated as Corendon Airlines.

All the reservations or changes are managed by tour operators and travel agents. Corendon Airlines **does not sell any flight tickets** and has no connection or influence on the passengers reservations.

Changes in flight times or destinations as well as cancellations of their chartered flights are managed by them. Therefore Corendon Airlines cannot be hold responsible for any changes.

In case of delay of a flight operated by Corendon Airlines more than 3 hours beyond its scheduled time of departure following procedures will be applied on flights departing from an EU country:

Duration of the delay	Type of service to each passenger
More than 3 hrs	Snack or meal & refreshment in a reasonable relation to the waiting time and the flight distance will be distributed
More than 5 hrs	Snack or meal & refreshment will be distributed
More than 5 hours and if departure is at least the day after the time of departure previously announced	Accommodation and transport between airport and place of accommodation (hotel or other) will be offered

You can get information from your Travel Agency, if there is any stop-over on your flight before the city of your destination.

Article 12: Customer View Forms / Questionnaires

For Corendon Airlines customer pleasure is the most considerable thing. Therefore we really attach importance on your comments and suggestions. Your thoughts and experiences are every time very precious for us.

At certain flights we ask our passengers to fill out a questionnaire in order to improve our services and offer you a very pleasant and comfortable flight.

For any comments and suggestions you can also use our customer view form which you can demand from and return to our cabin crew.
